Significant exclusions and limitations

This section covers the significant exclusions and limitations of the policy. Please be aware that your policy may not include all of the benefits mentioned below.

Further information regarding the points below can be found in the Terms and Conditions in the sections indicated.

- Your insurance does not cover any illness which starts in the first 14 days of your pet’s first policy year or any pre-existing conditions. If your pet was injured or ill at any time before your insurance started we will not cover any costs relating to that injury or illness. See the ‘What is not covered’ sections in Veterinary Fees and Death from Illness - points 2 and 3, and Death from Injury - point 2.

- You can claim up to the Veterinary Fees limit stated in the Significant features and benefits section for each separate and unrelated injury and illness during the lifetime of your pet. This means you can continue to claim for an injury or illness until we have paid the limit for that injury or illness, providing you continue to renew your policy and pay your premium without a break in cover. After we have paid the limit for an injury or illness we will not pay any further claims for that, or any related, injury or illness. See Veterinary Fees ‘What is covered’.

- The Veterinary Fees excess is the amount you have to pay towards the cost of your pet’s treatment. The excesses that apply for your pet will be a) a fixed amount only or b) a fixed amount and a percentage amount.

The excess for your pet is shown on your Certificate of Insurance.

a) A fixed amount only - this is the amount that you have to pay for each unrelated injury or illness in each policy year. This means that if your pet receives treatment for the same injury or illness in separate policy years, we will deduct a fixed excess from the first claim(s) paid for each injury or illness in each policy year.

b) A fixed amount and a percentage amount - the fixed amount will be deducted as explained in a) above. In addition, you must also pay a percentage of all treatment costs, this will be deducted from all claims submitted and will be calculated on the amount left after the fixed amount has been deducted. See ‘Definitions’ – Excess, and Veterinary Fees ‘What is not covered’ – point 1.

- Your policy covers the cost of treatment for a dental injury or illness providing your pet had a dental examination carried out by a vet in the 12 months before the injury happened or the illness was first noticed. See Veterinary Fees ‘What is not covered’ – point 6.
- You must send us your claim(s) within one year of the treatment taking place, death or the discovery of any loss, theft or straying. See ‘Claims conditions - When to claim’.

- Cover in the optional Death from Illness section stops on your pet's 9th birthday or if your pet is a Select breed, its 5th birthday. See Death from Illness ‘What is not covered’ - point 5, and ‘Definitions’ - Select breed.

- If you have taken the optional cover for Cremation, the cost of cremation is covered providing the injury or illness is covered under either the Death from Injury or Death from Illness benefit. See Cremation ‘What is not covered’ - points 2 and 3.

Additional exclusions may have been placed on the policy for your pet. If applied these are shown on your Certificate of Insurance.

Cancellation period

If, after receiving your Certificate of Insurance and full policy Terms and Conditions, you are not happy, you have 14 days during which you can cancel the policy. In this case we will cancel your policy and you will receive a full refund of any premiums paid. Full details of the cancellation rights can be found in your Terms and Conditions.

You must comply with the following conditions to have the full protection of your policy. If you do not, and the condition you have not kept to relates to a claim, we may refuse the claim.

1. Precautions
   a) Throughout any period of insurance you must take all reasonable steps to maintain your pet’s health and to avoid injury, illness, bodily injury, death, loss, theft, straying, damage or destruction. If there is a disagreement between you and us as to what reasonable steps are, the details will be referred to an independent national welfare body or an independent vet mutually agreed upon.
   b) You must arrange and pay for your pet to have:
      • A yearly dental examination. Any treatment recommended as a result of the dental examination must be carried out as soon as possible.
      • Any treatment normally recommended by a vet to prevent or reduce the risk of injury or illness.

2. Vaccinations
   You must ensure that your pet is vaccinated in accordance with the recommendation of your vet against distemper, hepatitis, leptospirosis and parvovirus for dogs and feline infectious enteritis, feline leukaemia and cat flu for cats.

3. Ownership
   You must be the owner of the pet. Your cover will cease immediately if your pet is sold or re-homed.

4. Treatment details
   You agree that any vet or therapist that has treated your pet has your permission to release any information that we might request concerning your insurance. Any charge for the release of this information will be your responsibility.

5. Pre-existing conditions
   Any injury/illness which occurred before your pet’s cover started is a pre-existing condition and something which will never be covered by your insurance. This is regardless of whether we place an exclusion for the injury/illness or not.

6. Renewal terms
   a) If you pay your premium by Direct Debit instalment, when your policy is due for renewal we will renew it for you automatically, to save you the worry of remembering to contact us before the renewal date. We will write to you before the policy expires with full details of your premium and policy conditions for the next period of insurance. If you do not want to renew this policy just let us know.
   b) When we offer further periods of insurance, we may:
      • Change the premium, excesses and the policy Terms and Conditions.
• Place exclusions because of your pet's claims and veterinary history.
• Limit or withdraw Personal Liability cover based on a review of your pet's behaviour. For example, any aggressive tendencies shown or any incidents where your pet has caused injury to a person or another animal.

c) If, after we have offered a further period of insurance, you make a claim that relates to a period of insurance before the one we have offered, we may, based on the details of the claim, place exclusions backdated to the start of the further period of insurance.

d) At each renewal, we ask you to notify us of certain information. The information we require from you will be stated in your renewal documentation. It is important that you provide us with full and accurate information as this could affect a future claim.

7. Changes during the period of insurance
Changes will only be made to your policy at renewal; we will not change the cover we provide for your pet during the period of insurance, unless:
• You decide to change your pet's cover.
• You did not tell us about something when we previously asked.
• You provided us with inaccurate information when previously asked, regardless of whether or not you thought it was accurate at the time.

8. Dual insurance
We will not make any payment for any claim that results from an incident which is covered by any other insurance. If there is any other insurance under which you are entitled to make a claim you must report the incident to that insurance company and tell us their name and address and your policy and claim number with them.

9. Cancellation
If your policy is cancelled or comes to an end for any reason all cover for your pet will stop on the date the policy is cancelled/ends and no further claims will be paid.

Statutory cancellation rights
You may cancel this policy up to 14 days after receiving your policy documents when first starting insurance cover with us or at renewal, up to 14 days after your renewal date. Any premium already paid by you for this 14-day period will be refunded to you providing no claim has been made or is intended to be made. If you cancel outside the 14-day cancellation period and the premium becomes due you may not receive a refund of your premium.
Cancellation outside the statutory period
You may cancel your policy at any time by calling or writing to us and we may give you a refund of the money you have paid for the period of insurance after the cancellation date. If we have paid a claim you may not receive a full return of your premium.

We may cancel your policy at any time if you have been dishonest or fraudulent in any dealings with us or your vet has advised that you have been negligent towards your pet. We will give you 7 days' notice in writing to the last address you have given us and we will give you a refund of any money you have paid for the period of insurance after the cancellation date.

Non-payment of premiums
Your pet is only covered under this policy if you pay the premium. If you pay the yearly premium in Direct Debit instalments and you miss an instalment, you must pay the outstanding amount within 10 days of the date the instalment was due to be paid. If we do not receive your payment within 10 days of the date the premium was due, your insurance will automatically stop and we will make no further claim payments.
Claims conditions

You must comply with the following conditions to have the full protection of your policy. If you do not, and the condition you have not kept to relates to a claim, we may refuse the claim.

1. When to claim

For all sections other than Personal Liability
To make a claim you need to send us a completed claim form and the claims evidence listed in the section under which you are claiming.

The claim form and claims evidence must be sent to us within one year of treatment taking place, bodily injury, death, disease or the discovery of any loss, theft or straying. If we do not receive the claim and accompanying information within this time frame the claim will not be covered by the policy.

Claim forms can be downloaded from our website, www.sainsburysbank.co.uk/pet, and some veterinary practices will have a supply of Veterinary Fees claim forms. Please contact us if you would like us to send you a claim form.

For Personal Liability
You must let us know of any incident that happens even if you don't believe a claim will be made against you at this time. To notify an incident please call us on 0808 172 6471.

You must notify us immediately:
• If an incident occurs which could lead to a claim under this section.
• Upon being advised of any prosecution, inquest or enquiry which could lead to a claim under this section.

You must also tell us if you are aware of any writ, summons, letter of claim or other document as soon as you receive it and you or any other person must not respond to any of these documents. Every communication relating to a claim must be sent to us immediately. You or anyone acting on your behalf must not negotiate, admit or repudiate (refuse) any claim without our permission in writing.

2. Providing information
a) You or your legal representatives must supply at your own expense all information, evidence, details of any other insurance policy involved (such as household) and veterinary certificates as required by us.

b) We may refuse to reimburse you for any expenses for which you cannot provide receipts, invoices or bills.
3. **Claim form completion**  
   We cannot guarantee payment of a claim over the telephone. If you want to make a claim you must send us a completed claim form.

   For Veterinary Fees you must arrange for your vet to fill in their part and you must send the claim form and the required claims evidence to us within one year of the pet receiving the treatment. You will be responsible for any costs charged for the completion of the form. If all or part of your claim cannot be paid we will tell you in writing.

4. **Signs of injury or illness**  
   You must arrange for a vet to examine and treat your pet as soon as possible after it shows clinical signs of an injury or illness and follow any advice they give. If you do not follow the vet’s advice we will not pay any claims relating to that injury or illness.

5. **Transferring of rights**  
   We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in your name for our benefit against any other party. You must give us any help you can and provide any documents we ask for.

6. **Fraud**  
   You must not act in a fraudulent manner. If you or anyone acting for you:
   a) Make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect, or
   b) Make a statement in support of a claim knowing the statement to be false in any respect, or
   c) Submit a document in support of a claim knowing the document to be forged or false in any respect, or
   d) Make a claim in respect of any loss, damage or destruction caused by your wilful act or with your connivance,

   Then:
   • We will not pay the claim.
   • We will not pay any other claim which has been or will be made under the policy.
   • We may at our option declare the policy void and if we do, we will not make any return of premium. 'Void' means we will cancel your policy from the date the fraud occurred. If we take this action you must tell any other insurer that we have voided your policy and failure to do this could invalidate any future insurance policy.
   • We are entitled to recover from you the amount of any claim already paid under the policy.
   • We may inform the police of the circumstances.

Cover in this section applies in the United Kingdom and the agreed countries only.

What is covered

We will pay you the cost of treatment your pet has received to treat injury and illness.

For each separate and unrelated injury and illness, during the lifetime of your pet, you can claim up to the maximum benefit:

- £7,500 if your pet is covered under the Premier plan
- £13,000 if your pet is covered under the Premier Plus plan

This means you can continue to claim for an illness or injury until we have paid the maximum benefit for that illness or injury providing you continue to renew your policy and pay your premium without a break in cover. After we have paid the maximum benefit for an illness or injury we will not pay any further claims for that, or any related, illness or injury.

The above maximum benefit includes the following when referred and endorsed by your vet:

- The cost of complementary treatment – up to £1,000 if your pet is covered under the Premier plan, or £1,500 if covered under the Premier Plus plan.
- The cost of physiotherapy – up to £1,000 if your pet is covered under the Premier plan, or £1,500 if covered under the Premier Plus plan.
- The cost of treatment for a behavioural illness – up to £250 if your pet is covered under the Premier plan, or £400 if covered under the Premier Plus plan.

Special conditions relating to claims

1. Before your pet is treated check that your vet is willing to complete the claim form and supply us with the supporting invoices. We will not pay for the vet to do this.

2. The claim form and invoices must be sent to us within one year of the pet receiving the treatment. Please make sure that the form is fully completed and signed by both you and your vet and that it is indicated to whom we should make the payment.

3. If you have asked us to pay your vet, and we agree to, we will send payment directly to the practice and if there is any amount other than the excess that we cannot pay because the costs are not covered we will tell you in writing. You must settle with your vet any amount we cannot pay.

4. For all claims your vet must complete a claim form and supply us with the supporting invoices on each occasion that treatment is provided.

5. If your claim involves complementary treatment, physiotherapy or treatment of a behavioural illness the claim form must be signed by your vet and the therapist must provide invoices showing the costs involved.
6. The maximum amount **we** will pay for the cost of **treatment** of each **injury** and **illness** is the **maximum benefit** that applies on the date the **injury** happened or the date the **clinical signs** of the **illness** were first noticed.

7. If a number of **injuries** or **illnesses** are:
   a) Diagnosed as one **injury** or **illness**, or
   b) They are caused by, relate to, or result from, another **injury** or **illness**,

   One **maximum benefit** will apply to the **treatment** received for all the **injuries** or **illnesses**. In this case the **maximum benefit** will start from the first date in the **period of insurance** any of the **illnesses** or **injuries** were treated.

9. After **we** have paid the **maximum benefit** for an **injury** or **illness** **we** will not pay the cost of any more **treatment** for:
   a) The same **injury** or **illness**,
   b) An **injury** or **illness** with the same diagnosis as the **injury** or **illness** **we** have paid the limit for, or
   c) An **injury** or **illness** that is caused by, relates to, or results from, an **injury** or **illness** that **we** have paid the limit for.

   No matter where the **injury** or **illness** is noticed or happens in, or on, **your pet’s** body.

10. **If we** agree for a claim settlement to be paid direct to **your vet** and **you** allow this, then if the **vet**, who has treated **your pet** or is about to treat **your pet**, asks for information about **your** insurance that relates to a claim, **we** will tell the **vet** what the insurance covers, what **we** will not pay for, how the amount **we** pay is calculated and if the premium is paid to date.

11. **If we** receive a request to pay the claim settlement direct to a veterinary practice, **we** reserve the right to decline this request.

12. **We** may refer **your pet’s** case history to a **vet** that **we** choose and if **we** request, **you** must arrange for **your pet** to be examined by this **vet**. **We** will pay any costs for this.

13. **If you** decide to take **your pet** to a different **vet** or **therapist** for a second opinion because **you** are unhappy with the diagnosis or **treatment** provided, **you** must tell **us** before **you** arrange an appointment. If **you** do not, **we** will not pay any costs relating to the second opinion. If **we** request, **you** must use a **vet** or **therapist** **we** choose. If **we** decide the diagnosis or **treatment** currently being provided is correct, **we** will not cover any costs relating to the second opinion.
14. It is your responsibility to ensure the veterinary practice or therapist is paid within the required time frame:
   • If an additional charge is added to the cost of treatment due to the late payment of fees, we will deduct this charge from the claim settlement.
